

Connect. Communicate. Empower.

T-Mobile Accessibility has telecommunication solutions for everyday needs.

- IP Relay
- Teleconference Captioning
- Relay Services
- CapTel
- Accessibility Wireless Store

T | **T-MOBILE
ACCESSIBILITY**

[T-Mobile.com/access](https://www.t-mobile.com/access)

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. No cost is passed on to the CapTel user for using the service. Although IP Relay, Federal IP Relay, Federal Video Relay Service, and CapTel® can be used for emergency calling, such emergency calling may not function the same as traditional 911/E911 services. By using IP Relay, Federal IP Relay, Federal Video Relay Service, and CapTel® for emergency calling, you agree that T-Mobile is not responsible for any damages resulting from errors, defects, malfunctions, interruptions or failures in accessing or attempting to access emergency services through IP Relay, Federal IP Relay, Federal Video Relay Service, and CapTel®; whether caused by the negligence of T-Mobile Accessibility or otherwise. Other restrictions apply. www.t-mobile.com/access T-Mobile, the T-Logo, Magenta and the magenta color are registered trademarks of Deutsche Telekom AG. ©2021 T-Mobile USA, Inc.
